Siracusa Sofa & Sectional

The SIRACUSA collection is defined by its clean lines, 2 sizes of toss pillows, tall slim legs, and thin seat cushions with flanged seams give it this collection more modern sensibilities.

Although it is a product of design, it does not compromise on comfort, boasting reversible feather seats and feather filled toss back cushions. It's brushed stainless steel legs and long arm feature on the lounge give it a unique style that make it the perfect place for socializing with friends or enjoying quality family time.
